#### 5. Executive Directors Report: 11:08am

#### A. Operations Report

Daniel reviewed the Operations Report. The current cost per passenger trip is now \$6.07. This metric will be watched to see how it can improve. The 2019 year used as a comparison has been removed from the report. The report will now be comparing with last year and the previous year. This provides a more realistic view of what our ridership trends are. On time performance was averaged at 91%. TripShot tracking showed 10,223 who are using the app.

#### B. Incident Report, March 2, 2025: 11:13am

On March 2, 2025, around 4:40pm, one of the Operators on the Shellmound/Powell route had a medical emergency in which she lost consciousness for a moment. Because of this, the bus did make contact with an unoccupied vehicle. No passengers are claiming injury at this time. The Operator requested medical assistance and was transported to Highland Hospital where she was treated and released without injury. The bus has been repaired and the parked vehicle has filed a claim with MV's insurance.

#### 6. Business Items: 11:17am

A. Review and Consider Amending Article V, Section 20(1) of the ETMA Bylaws allowing the removal of directors based on non-consecutive absences.

The current bylaws state that if a Director misses 3 consecutive meetings, then they can be removed by the Board by a majority vote. There was a request to change this bylaw to an automatic removal and to change it from 3 consecutive absences to 3 absences within a term year, which is May to April. After Daniel discussed this with the attorney, the attorney expressed some concern with the automatic removal because it opens up votes to be called into question. If a Director is automatically removed and not recognized by the Board, that Director no longer has a seat on the Board even though they may continue to attend. The attorney recommended keeping it as a Board decision but felt changing from 3 consecutive missed meetings to 3 absences within a term year would be a good option. Currently, the bylaws state that "if a Director has 3 unexcused absences from Board meetings, such Director may be removed from office by a vote of the majority of the Board as further specified by the Board policy". We are recommending to change that to "if the Director has 3 unexcused absences from a Board meeting within a term year, May through April, such Director may be removed by a vote of the majority of the Board members as further specified by the Board policy".

Geoff asked if a Board member can vote on their own removal. Colin asked what the definition of an unexcused absence is. Daniel will look into the definition of an unexcused absence. Bobby requested that Daniel ask the attorney to get clarification if a Board member can vote on their own absences on whether or not they can be

removed. Bobby requested also to understand the definition of unexcused absences in the Brown Act. After this information is attained, there can be a vote at the next meeting.

B. Review and Consider Request for Charter Service for Fishnets & Film: 11:30am The non-profit, Fishnets & Film, based in Emeryville, will be planning an event in which quests will be touring around Emeryville to explore what participating businesses have to offer. They have requested to utilize Emery Go Round buses as a charter to operate the event. Robby Kendall and Michelle Tranter presented their request to the Board to charter EGR buses. Daniel asked the Board if they want to allow EGR buses to be chartered for private service. Fishnets & Film would like to decorate the inside of the buses, but the EGR logo would still be reflected on the outside of the bus. The Board would need to decide if they would allow EGR buses to be on a non-standard route. Would this cause confusion to residents? Do we want the outside of the bus to be covered up somehow? Do we want to begin negotiations for a contract? Colin asked if there would be any liability for insurance. Daniel will look into this and clarify. Robby is proposing a pilot on Saturday, June 7, during National Pride month. Bobby stated that the bus would need to be clearly shown as not being in regular service to avoid confusion. Bobby asked Daniel to look into best practices and guidelines for running a Charter bus program and what would be proposed with accepting applications for chartering the buses. Courtney Welch, City Council Member, came to represent herself to support the charter proposal personally. Bobby Lee motioned to consider request for a charter service for Fishnets & Film. Christa Williams seconded the motion.

This item was approved by a unanimous vote.

C. Review and Consider approval to issue a Request for Proposals for Shuttle Operations and Maintenance: 11:45am

Daniel sent out the current draft of the RFP on Friday, April 11<sup>th</sup>. There were a few changes since the March subcommittee meeting. If approved, the plan is to have the RFP issued on May 5 and then the proposal submission deadline would be June 27<sup>th</sup>. At the August 19<sup>th</sup> BOD meeting the Board would select the vendor based on the subcommittee's recommendation. The actual approval of the agreement would be at the September 16<sup>th</sup> BOD meeting with services starting January 1, 2026. Daniel has a list of 16 shuttle vendors in the bay area that Daniel will be issuing the RFP to. The Board would like the RFP to be distributed to as many vendors as possible. Bobby would like to recognize MV drivers, at the Board level, for 10 years of service and above.

Bobby Lee motioned for approval to issue a Request for Proposals for Shuttle Operations and Maintenance. Ally Fitzmaurice seconded the motion.

This item was approved by a unanimous vote.

### On-Time Performance

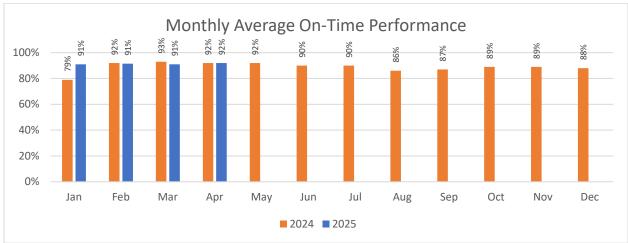

On-Time Performance (OTP) data is gathered from the TripShot app, which provides accurate GPS data for the shuttles and records the arrival and departure times for each of the timepoints along each route.

A shuttle is considered On-Time if it arrives up to 5 minutes after the scheduled time or departs no earlier than 1 minute before the scheduled time.

#### Throughout the month:

- The Hollis Route averaged an OTP of 94%
- The Shellmound/Powell Weekday Route averaged an OTP of 92%
- The Shellmound/Powell Weekend Route averaged and OTP of 89%
- The Average Total Monthly OTP for all routes was 92%

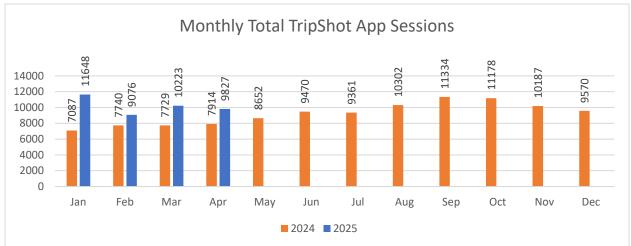

## TripShot App Usage

#### Utilization

The TripShot app does not require users to create accounts and the only data that is gathered is the IP address of the device, which changes based on the networks or cell towers that the device connects to. Because of this, it is not possible to track the number of TripShot app users, however, it is possible to track the number of app "sessions." While this does not allow us to know how many people are using the app, it does tell us how often it is used.

#### **Total Monthly App Sessions: 9,827**

#### STAFF REPORT MEMORANDUM

DATE: May 20, 2025

SUBJECT: Review and Consider Amending Article V, Section 20 (1) of the ETMA Bylaws allowing

the removal of directors based on non-consecutive absences.

## Summary of Proposed Revision

It is proposed to modify the bylaws of the organization to revise the grounds under which a Director may be removed from office due to absences. This change modifies the criteria from requiring three (3) consecutive unexcused absences before removal, to allowing the removal of a Director to be removed, by vote of the majority of the board, after three (3) unexcused absences in a rolling 12-month period, whether or not the absences were consecutive.

## **Proposed Revision**

#### **Current Grounds for Removal of a Director**

A Director may be removed from office under any of the following circumstances:

- (1) The Director has three (3) consecutive unexcused absences from Board meetings. Such Director may be removed from office by a vote of a majority of the Board as further specified by Board policy.
- (2) The Director is removed for good cause, as provided by law, by a vote of a majority of the Board.
- (3) The Designated Director is removed by the entity who designated him or her.

#### **Proposed Grounds for Removal of a Director**

A Director may be removed from office under any of the following circumstances:

- (1) The Director has three (3) unexcused absences from Board meetings within a rolling 12-month period. Such Director may be removed from office by a vote of a majority of the Board as further specified by Board policy.
  - a. An unexcused absence is defined as a failure by a director to attend a regularly scheduled board meeting without providing advance notice and a valid reason to the Board Chair or the Executive Director. Valid reasons include, but are not limited to, illness, personal or family emergencies, unavoidable professional obligations, or travel conflicts, provided these are communicated in advance.
  - b. However, if a director is unable to attend a majority of meetings within a rolling 12-month period—even with advance notice—the board may determine that the pattern of absences constitutes an inability to fulfill board duties. In such cases, these absences may be considered unexcused for the purposes of removal, at the discretion of the board.
- (2) The Director is removed for good cause, as provided by law, by a vote of a majority of the Board.
- (3) The Designated Director is removed by the entity who designated him or her.

### **EMERYVILLE TRANSPORTATION MANAGEMENT ASSOCIATION**

#### STAFF REPORT MEMORANDUM

DATE: May 20, 2025

SUBJECT: Discussion of On-Bus Advertising Pilot Program

### Pilot Refinement and Discussion Questions

#### 1. Equity

- a. What contribution threshold should qualify a property owner for this opportunity?
- b. Are there any opportunities for businesses, who don't qualify as property owners, to participate? AMC, for example, who's property is owned by Bay Street, but may want to have movie ads.
- c. Do we anticipate any pushback from non-eligible members?
- d. If approved beyond the pilot, will there be a scheduled rotation for eligible members? Ie. if Pixar has a design up in June, do they not get to do it again for a 6 months or unless all other eligible members decline? Or is it first come first serve?

#### 2. Outreach/Contracting

- a. How should this opportunity be marketed to qualifying members?
- b. What is our process for reviewing, approving, and rotating advertisements? Not the design itself, but the member request? Ie an application?

#### 3. Branding/Aesthetics

- a. Will there be design guidelines, restrictions, requirements? le. Color, Content, Size, etc
- b. Who approves the final design?

#### 4. Logistics

- a. Will the print, installation, and removal be contracted/managed by the member or would the ETMA contract with a regular vendor and pass the costs on to the member?
- b. Will there be limits to how long the ad can stay up?
- c. Will the ads be on every shuttle (21) or will on a select number?

#### 5. Financial

a. Other than the cost to design, print, and install, will there be any markup costs associated or is this an at-cost benefit for qualifying members?
