INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Emeryville Transportation
Management Association
Emeryville, California

I have audited the accompanying financial statements of Emeryville Transportation Management Association which comprises the statement of financial position as of December 31, 2016 and 2015, and the related statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of Emeryville Transportation Management Association as of December 31, 2016 and 2015, and the changes in its net assets and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

MANAGEMENT ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization

Emery Go Round is a shuttle bus service of the Emeryville Transportation Management Association (the Association), a nonprofit organization, whose primary purpose is to increase access and mobility to, from, and within the City of Emeryville (the City), while alleviating congestion through operation of a shuttle program. The Association's Board of Directors, who also serve as the official representative of property owners for the City formed Emeryville Property Based Business Improvement District (PBID), determines tax assessment rates as well as the level of shuttle service on an annual basis.

The Association entered into a "Shuttle Bus Service Funding Agreement" with the City effective January 1, 2007 through December 31, 2017, so that the City can continue to provide the Association with funding for the Shuttle via the PBID in return for the Association operating the Shuttle as contemplated in the PBID Management District Plan.

Significant Accounting Policies:

Basis of Accounting and Financial Statement Presentation

The financial statements of the Association have been prepared on an accrual basis. The significant accounting policies are described below to enhance the usefulness of the financial statements to the reader. The Association has adopted to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As of December 31, 2016 and 2015, the Association did not have any permanently restricted or temporarily restricted net assets.

Designated Unrestricted Net Assets

Certain amounts of unrestricted net assets have been designated by the Board of Directors as follows:

Significant Accounting Policies:

Subsequent Events

Association management has evaluated subsequent events through March 16, 2017, the date the accompanying financial statements were available to be issued.

Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform to presentations in the current-year financial statements.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Association considers all highly liquid investments available for current use with an initial maturity of less than one month to be cash equivalents. Cash and cash equivalents consist of cash on hand and cash held in checking and money market accounts.

Accounts Receivable

All trade receivables are shown net of an allowance for uncollectible.

Prepaid and Deposits

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items or deposits depending on the nature of the payment.

Income Taxes

The Association is a California nonprofit corporation, exempt from Federal income taxes under Section 501 (C) (4) of the Internal Revenue Code, and State income taxes under Section 23701(f) of the California Revenue and Taxation Code.

Pervasiveness of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
